“March to 1,000 Matches”

In the past year, Big Brothers Big Sisters of Mid-Maine changed the lives of 700 youth facing adversity in Androscoggin, Kennebec, Knox, Lincoln, Penobscot, Somerset and Waldo Counties for the better, forever by providing strong and enduring, professionally supported 1-to-1 relationships.

We partner with parents, volunteers and organizations, so children in our program have higher aspirations, greater confidence, better relationships, avoid risky behaviors and achieve educational success. Thanks to our donors, partners and volunteers, we continue to increase the number of children we are serving.

Our goal for the coming years is to create and support 1,000 matches annually. We are driven to grow because we recognize the positive impact our program has on individual youths and cumulatively on our schools and communities. Our vision is that all children achieve success in life.

The need exists, our program works and YOU can change kids' lives!
